

HILDER ROAD YEAR 5

Term 4 CURRICULUM OVERVIEW

EDUCATION IS LIFE

English Through a novel study, learners explore themes of relationships and ethical dilemmas in real or imagined settings. They read and comprehend complex narratives with shifts in time and developed characters. Learners analyse how ideas are expressed through language, imagery and point of view, and write imaginative texts using cohesive paragraphs, complex sentences and dialogue. Assessment: - Comprehend an imaginative text - Write a narrative with a supporting image	Mathematics Learners build confidence and fluency in mathematics as they: - use place value to order decimals - explore factors and multiples using algorithms and digital tools - multiply and divide efficiently using known facts and strategies - find unknowns in equations with materials and diagrams - connect long-term frequency to likelihood in chance experiments.	Science Learners plan, conduct and evaluate an investigation into a variable that affects evaporation and describe and apply knowledge of the physical properties of solids, liquids and gases. Learners communicate ideas and findings using multimodal texts. Humanities and Social Sciences (HASS) In this unit, learners explore how people have expressed their values and perceptions about community, others and places over time. Learners investigate Australia's democratic values of freedom, equality, fairness and justice, and examine key events and public figures. They learn about representative democracy, voting processes and school elections, and propose and present actions in response to democratic issues, considering their positive and negative impacts.
Technology - Digital Learners explore digital systems and data transmission, design and modify algorithms, and use visual programming to create maze games collaboratively. They define problems, design interfaces, implement solutions, evaluate outcomes, and communicate ideas while working together.	The Arts Music (Specialist Teacher) Learners will develop their skills on the ukulele, focusing on basic chords, strumming patterns, and simple songs. Dance (Specialist Teacher) Learners make and respond to dance by exploring ways that dance can be used to express adventure stories drawing on stimulus from movement contexts including martial arts, acrobatics, sport, exercise and other cultural forms.	Health and Physical Education (Specialist Teacher) Health In this unit, learners explore developmental changes and transitions that occur as they grow older. They investigate strategies available to assist them with the transition. Physical Education In this unit, learners develop swimming skills and water safety awareness. They practise freestyle, backstroke, breaststroke and survival backstroke while learning movement concepts and strategies to improve technique and efficiency.
Chinese (Specialist teacher) Learners use language to communicate ideas relating to interests, activities and personality traits. Learners will: - discuss leisure activities and interests - gather, classify and compare information about interests of Chinese-speaking children - create bilingual profiles based on interests - identify borrowed words used to discuss interests - understand how language reflects roles and relationships	Special Events School Assembly every Tuesday 2.20pm Year 5 Swimming Lesson every Wednesday Year 5 and 6 Gala Sport Days - 17th and 24th October Halloween Disco - 24th October Extra-Curricular Group/Sports Teams Photo Day - 30th October Remembrance Day - 11th November Rising Stars Soccer Futsal Championships - 18th November Hilder Harmonies - 18th November 6.30pm in the Hall Grandparents Day – 25th November – No Assembly Public Speaking Competition - 27th November	Senior Swimming Carnival - 28th November Meet and Greet 2026 Teacher - 1st December Carols in the Paddock - 4th December Student Council Fundraiser Dress Up Day - 10th December Reports emailed to families - 11th December End of year final assembly - 11th December 9-10am followed by the Guard of Honour Class Parties - 11th December Last day of Term - 12th December – Happy Holidays Everyone!
