

HILDER ROAD PREP Term 4 CURRICULUM OVERVIEW EDUCATION IS LIFE

English	Mathematics	Science
Learners read, view and comprehend imaginative texts with characters and events. They explore how language and images create meaning. Learners write short imaginative stories and retell familiar ones using learnt vocabulary, punctuation and phonics knowledge. Assessment: - Comprehend an imaginative text - Write a short retell of a familiar story	Learners develop confidence and positive attitudes towards mathematics as they: - connect number names, numerals and quantities to at least 20 - use materials to explore and solve everyday problems - make and justify mathematical decisions - recognise and create repeating patterns in various contexts.	Learners explore the physical world by observing and showing how everyday objects such as toys, tools and animals move, and exploring factors that influence movement, such as size, shape and material. Incursion Bring your Bike to School Day
Humanities and Social Sciences (HASS)	The Arts (Specialist Teacher)	Health and Physical Education (Specialist Teacher)
Inquiry question: What are places like and what makes them special? (Semester unit) Learners explore familiar places, identify their features and boundaries, and represent them using maps and models. They learn that places are special for different reasons depending on how people use or view them. Learners examine how people care for special places and reflect on ways they can help care for these places.	Music Learners will develop the confidence to be creative, innovative, thoughtful, skilful, and informed musicians, building the knowledge and skills needed to listen with intent and purpose, compose, and perform. Dance Learners make and respond to dance by exploring characters in stories and rhymes as stimulus.	Health (Semester unit) In this unit, learners identify actions and protective behaviours that keep them safe and healthy in situations where they may encounter hazards in the home and community. Physical Education In this unit learners will demonstrate personal and social skills when working with others and describe their feelings after participating in a range of active games. Learners will also be learning swim safety and water familiarisation activities.
Library	Special Events	
Learners build language comprehension through shared and dialogic reading, exploring diverse texts across subjects. They develop a love of reading, fostering curiosity and enjoyment. A library bag is required for weekly borrowing.
