## Rising Dancers Vision Statement

Hilder Road State School's Rising Dancers seeks to nurture the whole dancer—technically, expressively, and socially—in an inclusive and inspiring environment. This program offers accessible, affordable and time-efficient dance training with a focus on skill development, teamwork and confidence.

## General Information

### The Program:

In Rising Dancers, students will build a strong technical foundation in dance, while experiencing the joy of learning and performing engaging choreography.

Each lesson begins with structured exercises based on contemporary and ballet techniques, helping students develop strength, coordination and flexibility. From there, they will explore choreography in a variety of styles, including hip-hop, jazz and contemporary, developing a student's stage presence, musicality and storytelling skills.

Rising Dancers will also have the opportunity to showcase their progress by performing at selected assemblies, competitions and events toward the end of the year.

### Selection Process:

Please apply for the Rising Dancers through our Hilder Road State School website, look for the *Programs of Excellence* tab. If we exceed our enrolment number in EOI forms, the dance coordinator and another staff member will use the **selection criteria** below, along with an **audition** to select our Rising Dancers. The audition will be in the form of a regular dance class.

## Expectations of Participants

### Conduct:

- Rising Dancers is a team-based activity. Students are expected to maintain a high level of professionalism, respect and a positive approach to their peers, rehearsals, events, staff instructions and promotion in the community.
- School rules must be followed in all areas of school involvement; including in class, in transitions, at play and at dance class.
- Appropriate behaviour must be displayed while at school, at external competitions and when travelling to and from competitions.

### Attendance:

- Participation in the Rising Dancers program is a year-long commitment and attendance at weekly classes is compulsory. If you will be absent from class, please email Mrs Maskiell prior to the class time.
- Please **arrive at 7.40am**, so that class can start on time at **7.45am**. Students will be released at 8.45am to move to their classrooms.
- Extra dress rehearsals may be called in the lead up to performances. Students will be given plenty of warning for any extra rehearsals, however if there is a clash of timetables, please notify the Dance coordinator. In the lead up to a performance we will hold a technical dress rehearsal. Students who are unable to attend the **technical dress rehearsal** *may* not be able to perform. Decisions about student participation is at the discretion of the Rising Dancers Coordinator.
- As Rising Dancers is a group activity, students who are absent from rehearsals may not be able to participate in certain sections of routines that are taught while absent. Where students miss several rehearsals, a discussion with parents/guardians may be necessary to determine future involvement in the program. Students seeking to withdraw during the year must contact the Rising Dancers Coordinator. Written communication from a parent/guardian is required.

### School Work:

- Students must achieve a minimum of 90% attendance at School unless absences are supported by a medical certificate.

This consists of the coloured polo shirt or blue interschool sports shirt, shorts or skort and sneakers with socks. When events, such as formal assemblies or photo day falls on Wednesday, students will be required to change into their full School Uniform after class.
- Students are required to come to class with their hair properly tied back in a ponytail, braids or bun. Please make sure fringes are tidy.
