## STUDENT ELECTRONIC DEVICE / INTERNET AGREEMENT

Dear Parents / Guardians

We ask that as a family you read and discuss these guidelines and conditions. They have been developed to ensure you and your student understands the guidelines and responsibilities related to the use of electronic devices and access to the Internet in our school.

### GUIDELINES FOR ELECTRONIC DEVICE / INTERNET USE

- Students, parent / guardians will need to read and sign this form before students are allowed to use school electronic devices or access internet
- School electronic devices are used with the supervision of a staff member or authorised adult
- Students are to use the electronic devices / computer network in a responsible manner (as per these guidelines and classroom rules)
- Students are to enter their password and log on to electronic devices before use, if applicable
- Students are not permitted to supply, install or download digital media without teacher instruction
- Students should use the electronic devices / Internet for specific tasks approved by supervising teachers or authorised adults
- Students are to use only the existing software/Apps on the electronic devices
- Food and drink are not permitted near electronic devices
- Students are to report any irresponsible activities to adult supervisors immediately
- Students are to report any technical problems encountered with equipment to adult supervisors
- Students should not reveal personal details or the details of fellow students when on the Internet
- Students should always use 2 hands and walk with all mobile electronic devices or use the appropriate trolley.
- The Internet (including all forms of electronic communication) should not be used to offend others or to search for illegal, dangerous or offensive material
